

This is a sample Question Paper for  
Visvesvaraya Technological University

Date:2024-05-11

Subject: Machine Learning

Subject Code: 18AI88

Total Marks : 25

Time allotted : 120

- 18AI881. What is Machine Learning? Give 3 examples where ML can be used. (Marks:5)
- 18AI882. What are the main challenges in ML? (Marks:10)
- 18AI883. Explain voting classifier, Bagging and Pasting, Out-of-Bag Evaluation. (Marks:5)
- 18AI884. List the 3 major types of Machine Learning Algorithm. (Marks:3)
- 18AI885. Differentiate Supervised and Unsupervised Learning with the help of an example.  
(Marks:2)
